PUBLIC SERVICE COMMISSION

Dear Ms. Helton:

11100

Please accept this as a thirty (30) day notification to the Public Service Commission. This letter is in reference to our Special Promotions Tariff in our Local Exchange Tariff as described in PSC Section M. Original Sheet 10.

The Ballard Rural Telephone Cooperative is offering to its customers the option to convert from rotary service to touchtone service without an installation charge. At the present time, we have 968 customers grandfathered to rotary service per Administration Case Number 355. This service is being offered to customers during a three-month promotion beginning November 15, 1999 and continuing until the close of business on February 15, 2000. Ballard would like to also offer free of installation charges the following options: Call Number Delivery, (C Name Caller ID and Directory Name), Caller ID on Call Waiting, and Subscriber Identified Ring along with any other calling features that Ballard offers at this time. These features are tariff with the Public Service Commission. These services will also be offered during a three-month promotion beginning November 15, 1999 and continuing until the close of business on February 15, 2000. The normal installation of these services requires a switch function cost of \$10.70. These breakdowns of cost are incurred in PSC Section D 1st Revised Sheet 4. This promotion in no way alleviates the customer's monthly charge.

Sincerely,
BALLARD RURAL TELEPHONE COOPERATIVE CORPORATION, INC.
